The information that you provide on this form is given voluntarily. It may be used by staff of the I&I NSW (formerly NSW DPI) Gamefish Tournament Monitoring Program (GTMP) for a short phone survey after this event. The purpose of these surveys is to improve future sampling, quantify any biases in the current sampling regime and incorporate your fishing boat details to investigate standardised catch rates (which may give better proxies of fish abundance by removing the influence of these factors on raw catch rates). This research is important for the future of gamefishing and is supported by the NSW GFA and the GFAA.

More detailed information about these surveys is available at tournament briefings and at [www.dpi.nsw.gov.au/pubs/gamefish-tourn-info](http://www.dpi.nsw.gov.au/pubs/gamefish-tourn-info) or by contacting I&I NSW (02) 9527 8549 or write to Danielle Ghosn I&I NSW PO Box 21, Cronulla NSW 2230 or email [danielle.ghosn@industry.nsw.gov.au](mailto:danielle.ghosn@industry.nsw.gov.au). Your personal information will remain confidential and can not be disclosed to the general public or other government agencies. The information will be stored on a secure server at I&I NSW. If you wish to change or correct any of your information please contact Danielle Ghosn via the details above.
