- All Billfish must be tagged with Billfish Tags. These Tags are for Billfish ONLY, no other species.
- Only Circle Hooks are to be used for live baiting
- All other clubs to supply their own members with all necessary tags.

14. FISHING BOUNDARIES

The Tournament fishing boundaries are as follows:

Black Point, northern boundary, as indicated on the Radio Schedule Map.

East of the entrance to Jervis Bay as indicated on the Radio Schedule Map. With the exception of taking fish for use as bait, fishing within Jervis Bay west of this boundary is not permitted during this tournament.

Brush Island, southern boundary, as indicated on the Radio Schedule Map.

15. FISHING TIMES

Friday 28th and Saturday 29th November 2008. 6.00am to 5.00pm.

Sunday 30th November 2008. 6.00am to 1.00pm.

Fish that are being fought and notice given to the Tournament Base prior to the cessation of fishing may be continued to be fought. With the exception of Sunday.

16. WEIGH STATION TIMES

Friday 28th, Saturday 29th November 2008 opens 4.00pm until return of all boats.

Sunday 29th November opens 12.00 noon. To be eligible for the tournament all captures and tag cards together with the anglers and tackle must be at the Weigh Station by 1.30pm.

17. WEIGH STATION PROCEDURES

Captured fish or tag and release cards may be brought to the Weigh Station by sea/land. To be eligible for tournament points captured fish or tags must be presented at the weigh station on the day of capture or tagging with all tackle and equipment used for inspection and measurement.

In regard to any protest, the Tournament Committee shall retain all tackle and equipment that fails any equipment regulation when presented for inspection and measurement at the weight station for further clarification. Such tackle or equipment shall be returned to the angler on completion of the protest procedure.

Captured fish that have been weighed are to be removed from the weigh station and away from the public view on completion of weighing, failure to do so shall cause that fish to be disqualified.

The cleaning of fish or the removal of jaws, bills or other trophy items is forbidden within the sight of the Weigh Station. Unwanted carcasses are to be taken 2 nautical miles to sea (outside of Jervis Bay) and disposed of in an appropriate manner. Failure to comply will result in total disqualification from the tournament.

18. CAPTURE/TAG AND RELEASE

RETURNS:

Capture or Tag and release returns must be completed and correct in all details prior to arriving at the Weigh Station. This includes the time of capture or tag and release. Trophies will be awarded on the basis of the information given. Failure to record the time of capture or Tag and release on the return will result in the time being recorded as at the end of the days fishing. **Incomplete or incorrect returns may result in disqualification of the fish listed on that particular return unless an acceptable reason can be provided.**

19. RADIO COMMUNICATIONS:

All competing vessels are to log on daily with the "TOURNAMENT BASE" prior to the commencement of fishing and log off when entering Jervis Bay at the end of each days fishing. **Failure to comply may result in part or total disqualification from the tournament.** Additionally, all competing vessels **MUST** log on daily with **JERVIS BAY COASTAL PATROL on 27.88 or 27.91.**

Tournament base shall operate in accordance with the NSWGFA 'Guide Lines for Radio Skeds for Tournaments. As are in effect at that time. Each team will be given a number which is used for radio schedules. Radio schedules will be conducted by Tournament Base at 2 hourly intervals commencing at 8.10am on 27.94 and VHF 72. Tournament Base shall continue to operate until all vessels are accounted for each day.

When responding to schedule calls from Tournament Base, teams are to give their team number followed by the vessel name and position from the schedule map provided and status. Reporting is to be done using the zero, zero, zero system, (strikes, hook ups, and captures or tag and releases) species, line class and angler number. Tournament Base shall request the statutory authorities to activate a search for any vessel failing to contact Tournament Base for two consecutive radio Schedules.

Any boat experiencing a breakdown of radio communications is to immediately make contact with another boat by other means and have them advise Tournament Base of the problem then return **immediately** to port for repairs.

20. BAD WEATHER AND SAFETY:

To avoid taking unnecessary risks in the event of bad weather the Tournament Committee will decide whether the day will be competition day or not. In the event of bad weather developing after the start of fishing the Tournament Committee will confer and decide whether or not the tournament will be called off for the remainder of the day. All fish caught prior to this time are eligible for the tournament.

The declaration of a Gale Warning by the appropriate government weather authority, will automatically require the cancellation of the tournament. In the event of a declaration whilst vessels are at sea, such vessels are required to cease fishing and return to port.

The seaworthiness of vessels is the responsibility of the Captains and their crews. Vessels putting to sea do so at their own risk. Safety Equipment as laid down by the NSW Waterways Authority Regulations, must be carried. **Jervis Bay Game Fishing Club will not be responsible or liable for any loss of damage to any person, property, personal injury or death howsoever occasioned at any time during the conduct of The White Sands Game & Fishing Tournament.**
